

liboost®

Improving men's quality of life

Turnera diffusa

- **liboost®** is a sexual enhancer made from 100% natural **Damiana** leaves.
- **liboost®** supports sexual life improvement by increasing sexual appetite.
- **liboost®** is the first **Damiana** commercial extract, standardised to flavonoids by HPLC.
- It uses premium *Turnera diffusa* sourced from Mexico, then manufactured in Spain.
- There have been no reported side effects or negative drug interactions.

How does it work?

The bioflavonoids found in **Damiana** leaves have a pro-sexual effect by increasing vasorelaxation of cavernosum smooth muscle cells as the NO-cGMP pathway is activated or there is an interaction with central pathways participating in libido or sexual arousal.

Indications, Claims and Dose

- Dose: 300mg extract per day.
- Promotes sexual desire and libido.
- Promotes sexual arousal and relaxation.
